

## **MIAMI MIX KINGS BIOGRAPHY**

Miami Mix kings literary was an idea that was created by its President Jose Garibaldi years ago and executed in 2020. It's been years behind the booth rocking night clubs and gigs around Miami and the world and also seeing the "The Sun's Capital" (La Capital del Sol) grow so much in entertainment and nightlife. It was just the right time to get all of our local DeeJay talent together and represent.

- **Why Miami Mix Kings?**

Because Miami is where is at! Miami is where everyone loves to come party and enjoy beaches and clubs. Mix because that's what we do for a living, all of our DeeJays put in for this city one way or another and helped it grow in nightlife. And kings for many reasons: #1 because Kings run their territory (Clubs), #2 Kings are respected, #3 We represent Loyalty like Kings do with their Kingdom. We are "Los Reyes del Mixeo" del 305.

- **What's Our mission?**

Our mission is to represent our city everywhere we go, no matter if it's here or in the other side of the world. Also, another one of our missions is to give back to the city that saw us grow, by linking up with our inner cities and working with them in different projects like: Schools, Parks, Festivals, Funds, etc... with no interest back, but just to help out.
